"I am extremely grateful and humbled," Donna said. "I feel truly blessed to work for such a great company that I consider a part of my family."

The Employee of the Month is selected anonymously by Phillips Murrah staff on merits of teamwork and overall contributions to the Firm.

"Congratulations to Donna Anderson, a skilled paralegal, working with our legal team to provide top-notch client service to our often anxious family law clients," Director [Nikki Edwards](#) said. "Clients, support staff and all of the attorneys Donna works with describe her similarly as 'the calm in the storm'.

"We are so happy that Donna deservingly received the December Employee of the Month recognition. Donna's insight and dedication are evident in all she does."

The Firm recently began making a donation to the winner's charity of choice, and Donna chose [Positive Tomorrows](#).

“We are so grateful that Donna and Phillips Murrah P.C. have chosen to support Positive Tomorrows in this way,” said Susan Agel, Positive Tomorrows President and Principal. “As Oklahoma’s only elementary school and social service agency specifically serving children and families experiencing homelessness, we rely on a generous community to keep our doors open.

“Gifts like this mean that we can continue to provide life-changing services to some of our communities most vulnerable little ones.”

[Positive Tomorrows recently broke ground on a new facility in Oklahoma City,](#) and Phillips Murrah has been a supporter of their mission for years.

“I believe children are our future, and the fact that Positive Tomorrows is trying to ensure their success makes this a worthy cause,” Donna said. “Many children would not have the simple pleasures of life such as a meal or a place where they feel safe if it were not for Positive Tomorrows.”
