## Phillips Murrah Presents: Paying It Forward

### Amplifying the message of one non-profit each month for a year

[Paying It Forward] In Dec. 2020, Phillips Murrah partnered with [Oklahoma NPR radio station KGOU](http://kgou.org) to sponsor broadcast announcements each month that shine a light on a selected non-profit organization. Our aim is to amplify each beneficiary organizations' needs and goals, and to help increase awareness, drive volunteer quality and quantity, assist in fundraising support, and improve capacity to deliver service to the community.

Our beneficiary in May is Partners in Public Health, an organization that is critical to fighting COVID-19 in our community. #PIF0KC
