

Phillips Murrah Paying it Forward campaign benefits The Leukemia and Lymphoma Society in May

Phillips Murrah's Paying It Forward amplifies the message of one non-profit each month, all year long

Since December of 2020, Phillips Murrah has partnered with [Oklahoma NPR radio station KGOU](#) to sponsor broadcast announcements each month that shine a light on a selected non-profit organization. Our aim is to amplify each beneficiary organizations' needs and goals, and to help increase awareness, drive volunteer quality and quantity, assist in fundraising support, and improve capacity to deliver service to the community.

Our Paying it Forward beneficiary in May 2022 is **The Leukemia & Lymphoma Society**. #PIF0KC

May Beneficiary

The Leukemia & Lymphoma Society – Oklahoma

The law firm of Phillips Murrah is proud to support The Leukemia & Lymphoma Society as our May 2022 Paying it Forward beneficiary. The Leukemia & Lymphoma Society is a global leader in the fight against cancer.

This year, [Phillips Murrah Director Eric Eissenstat](#) is proud to be nominated to represent Oklahoma in the **2022 All-Star Alumni National Visionaries of the Year campaign**. He is one of 26 Alumni Candidates across the country “competing” for the title. During the month of May, Eric’s goal is to raise \$150,000, which will go directly to LLS in support of its longstanding goal: a world without blood cancers.

“There are many reasons I am proud to support LLS’s efforts. For instance, approximately 40% of new cancer therapies approved by the FDA since 2000 were first approved for blood cancer patients. Many of these LLS-supported therapies not only help blood cancer patients, but they have also led to a tremendous number of advances in other types of cancers, like bone, brain, and breast. Your contribution will have rippling effects across the entire cancer landscape. This is an organization that is making an impact with the dollars it raises, and I’m proud to be associated with LLS.” – Eric Eissenstat.
