

Phillips Murrah donates to Sisu Youth Services for Pride Month

To celebrate Pride Month in June 2022, Phillips Murrah is proud to make a donation to [Sisu Youth Services](#).

Sisu is a low-barrier, identity-affirming space in Oklahoma City where unhoused transition-age youth find the shelter and support they need to pursue the life they want.

Sisu Youth Services' mission is to ensure that young people experiencing adversity have a safe place to sleep, the security to dream, and the support to make a positive impact on the world. They offer overnight shelter, clothing, hot meals, transitional living, and case management services for unhoused youth between the ages of 15-24.
