Domestic violence affects people regardless of age, wealth, gender, race, religion, sexual orientation, or nationality. It includes physical violence, emotionally abuse, and controlling behavior, which is often part of a larger, systematic pattern of dominance. To find out more about the devastating consequences of domestic violence and how to get

immediate help, visit the Dept. of Justice's [PAGE](#) dedicated to domestic violence awareness.

To help with solutions during National Domestic Violence Awareness Month, Phillips Murrah is proud to choose [Palomar, Oklahoma City's Justice Center](#) as our October Paying it Forward beneficiary. Palomar offers victims and survivors of abusive relationships and domestic violence in Oklahoma City a kind-hearted home where clients and their children come first as they work through the healing process.
