**Are you a participant or an avid fan of any particular sport or team?**

I love my University of Oklahoma Sooners and Oklahoma City Thunder Basketball. Although both teams often break my heart!

**What is your favorite ALFAI memory?**

My favorite ALFAI memory is the 2022 Labor & Employment Seminar in Carmel, California at Carmel Valley Ranch. It was my first ALFAI Seminar and everyone was very welcoming. The resort was incredibly beautiful, the food was delicious, and I enjoyed driving Highway 1 with my colleague Kathryn Terry.

**Please tell us about a favorite family vacation spot or an incredible trip you went on recently.**

I am really looking forward to my honeymoon in late December in Lanai, Hawaii!

**Why did you decide to become a lawyer?**

I have always enjoyed problem-solving, reading and writing. Being able to problem-solve on a large scale and write narratives is what drew me to the legal profession.

**What is the best career advice you've been given?**

The best career advice I've been given is to learn something new every day. In practicing employment law, I get to live this advice out frequently. I really enjoy learning about a variety of industries by assisting clients with their employment-related issues.

**Is there an ALFAI presentation you've participated in, or were an audience member at, that was particularly impactful?**

This past September, I enjoyed speaking on "The Future of the Jury Pool" panel at the Future Leaders Forum Seminar in Louisville, Kentucky. Kate Martz, Molly Lee and Hannah Schmidt were wonderful co-panelists (turned friends!) to work with and our audience participation made the panel especially enjoyable and informative.
