Our aim is to amplify each beneficiary organizations' needs and goals, and to help increase awareness, drive volunteer quality and quantity, assist in fundraising support, and improve capacity to deliver service to the community. In December 2022, Phillips Murrah expanded the reach of our Paying it Forward partnership to include NPR's other OKC radio station, [KOSU](#).

Our Paying it Forward beneficiary in March 2023 is [Focus on Home](#). #PIF0KC[divider line\_type="Full Width Line" line\_thickness="1" divider\_color="default" animate="yes" custom\_height="50"] [image\_with\_animation image\_url="22740" animation="Fade In" hover\_animation="zoom" alignment="" border\_radius="none" box\_shadow="small\_depth" image\_loading="default" max\_width="100%" max\_width\_mobile="default"] Phillips Murrah is proud to support Focus on Home, which partners with local social service agencies to identify families in the greater Oklahoma City metro area who are ready for their services. Partnering agencies submit referral applications for qualified families, selected for the program according to their personal journey to a better life situation and which have a documented history of working toward their goals with the agencies who refer them. Each family accepted into the Focus on Home program has

found and is able to maintain permanent housing.

Focus on Home creates a customized furniture/furnishings package using gently used donated items from their warehouse that is stocked with the majority of all the items needed to fulfill the needs of the family. The items in the warehouse are gently used donations from the Oklahoma City community. In addition to the donated items, each family is allocated \$500 that goes towards new items to fill gaps in Focus on Home donations (like cribs and new pillows) – each family member also receives a brand new bed.
