

Progress Continues on the New Phillips Murrah HQ Building in Midtown

“How’s the progress on your new building coming along?”

We hear this question a lot. Luckily for us, [Lingo Construction](#) has placed a construction camera across the street so we can all monitor the progress. Day or night, rain or shine, construction voyeurs and other interested parties can sneak a peek at our new home in Midtown as it is being built – literally from the ground-up.
