Attorneys and staff at Phillips Murrah extended their support to local families this holiday season by collecting donations for the [Oklahoma Family Network \(OFN\)](#).

Every year, Phillips Murrah aims to fulfill the needs of several OFN families, and this year, the Firm will be able to meet the holiday gift wish lists of four families with monetary donations and items.

Attorneys [Jonna Vanderslice](#) and [Camille Burge](#) spearheaded the drive. With the generous donations from our attorneys and staff, the Firm was able to spend over \$5,000 on the four families.

“It is such a privilege to be able to serve our community in this way! We hope this service will bring the families relief and joy during not only the holiday season but also

the new year,” said [Jonna](#).

“I am proud to be part of a firm committed to giving back to the community,” said [Camille](#). “It is heartwarming to see everyone come together financially and with their time to bring a little joy to families going through tough times.”
